Membership Application

The South Coast BMW Riders Club Inc. is an organization of BMW motorcycle owners with a common interest in promoting safe riding, fellowship and motorcycle education. As the owner of a BMW motorcycle you are encouraged to actively pursue your leisure activity and take part in any or all of the activities we sponsor or promote, such as: weekend camping trips, breakfast rides, special events, rallies, tours and club parties. We encourage both husband and wife to join us, as we are a club that welcomes family participation, often sharing the fun and adventures of safe motorcycling with our children as well.
